

DPEC & BELEEF HET VERLEDEN present  
"A few days like no others" IN PARIS  
Friday 12<sup>th</sup> Saturday 13<sup>th</sup> & Sunday 14<sup>th</sup> of FEBRUARY 2016.

# PARIS, LA COUPOLE, & ART DECO HOUSE.

We are glad to organize a weekend for you in Paris to experience the spirit of ART DECO and LES ANNEES FOLLES.

**€100,-/PERSON FOR 2 NIGHTS IN THE VILLA, INCL. BREAKFAST, BASED ON 10 PERS. BOOKING.  
THE REST IS FREE OR OPTIONAL.**

We have found a smashing 'maison d'architecte' which produces the atmosphere of pure lines and seemingly simple volumes referring to De Stijl, for example. Although not from the period, the place provides up to date comfort so that you are sure to have a good bed and relaxing time.

THIS HOUSE WILL ACCOMODATE 10 GUESTS, SO **BE QUICK TO BOOK!**

Price does not include your travel to Paris, but we can help a kind driver finding passengers and sharing costs.

In the meantime, do have a look at **Les Paris Follies de la Coupole's** page on Facebook. That should convince you.

# OUR VILLA IN MONTREUIL

Situated just out of Paris, it is a 5 mn walk to the Metro (station *Mairie de Montreuil*) that brings you to the centre in 15-20mn.

At the beginning of rue de Stalingrad, a quiet street, the property has space for two cars in its car park.

We will accomodate 10 guests:

2 rooms have got a double bed.

2 rooms have got a double and an extra single bed on a mezzanine. So it means sharing for these two rooms. If you are a group of three, that is perfect.

Regarding the price and quality, we believe it is difficult to get a better deal for two nights in Paris: we can stay for € 100,- per person (friday night and saturday night, double beds, leaving on sunday afternoon). This price includes breakfast for saturday and sunday.

The kitchen is available for those who want to prepare their own food.

# PROGRAMME

Flexibility is a key word so that everybody is having a good time.

The highlight of the week-end is the Party in LA COUPOLE on Saturday night, where it is expected to wear your nice 1920s-1930s costume (theme of DANDYS & SEDUCTEURS, by the way...).

For the other events and the villa you may wear what suits you best.

We do encourage for a nice *annees folles* look during daytime though.

# LA COUPOLE

A true Art Deco masterpiece, La Coupole is the most famous Parisian brasserie in the world. Today it is the quintessential symbol of Montparnasse's history, as well as a key component of the art of living and socialising in Paris, particularly in the 14th arrondissement.

After a drink at the Bar of the Brasserie, we will join the Follies at the Dancing, down the stairs, for a crazy night. It means dressing in style, a live band, plenty of dancing enthusiasts and some *pleasing to the eye* entertainment. NOT TO BE MISSED, as it may well be the last edition for a while...

# DINER FACING EIFFEL TOWER FOYER DU THEATRE DE CHAILLOT

What about a fine 3 course meal, dressed in style for the evening, in a typical Art Deco room, facing the Eiffel Tower? We have tried just that last December and thought more people should discover the place.

# LA MODE RETROUVEE

[PALAIS GALLIERA](#) : \* Fashion Regained. The treasured dresses of Élisabeth, Countess Greffulhe.

This exhibition focusing on the wardrobe of Countess Greffulhe, whose beauty and elegance was one of the main inspirations for Marcel Proust and the fashion designers of her time.

On display at the Palais Galliera there are some fifty models bearing the labels of grands couturiers such as Worth, Fortuny, Babani, and Lanvin. There are coats, indoor clothes, day dresses, evening dresses, and also accessories, portraits, photographs and films. Every item is an invitation to go 'in search of lost fashion' and to become acquainted with this great figure of Paris Society, whose image was inescapably bound up with her wardrobe.

**The exhibition covers Belle Epoque fashion...but very much the 1920's and 1930's as well...**
